Hi Vedant,

Thanks for reaching out and sharing your situation but at the moment we're unable to arrange a transfer to the Nagpur branch, as our internship placements are fixed per the onboarding location. However, we can accommodate a remote-work arrangement, you can continue the internship from home and we'll provide you with the necessary access and tools.

Please let me know if this works for you, and feel free to reach out if you need any assistance.

Regards,

**Subject:** Request for Transfer to Nagpur Branch / Work From Home Due to Financial Constraints

Respected Madam,

I hope you are doing well.

I would like to thank Accelgrowth Technology Pvt. Ltd. for giving me the opportunity to join as a **MERN Stack Intern**. I am grateful for the learning exposure and have started adapting to the work culture and responsibilities.

I would like to respectfully share a personal concern. As the internship is currently **unpaid**, continuing my stay and daily expenses in **Hyderabad** is becoming financially difficult for me due to genuine family financial constraints. Despite my best efforts, managing accommodation and living costs without any stipend is proving to be challenging.

Therefore, I kindly request you to please consider one of the following options, if feasible:

- **Transfer to the Nagpur branch**, where I can continue my internship without financial strain,  
**or**
- **Work From Home (remote)**, as my role and assigned tasks can be effectively handled remotely.

I want to assure you that this request will not affect my commitment, productivity, or discipline. I am fully dedicated to learning, contributing to the team, and meeting all expectations set by the organization.

I sincerely hope you will understand my situation and consider my request sympathetically. I would be very thankful for your support and guidance.

Thank you for your time and consideration.

Warm regards,  
**Vedant Ingale**
